

Internal Trembling

Mirah

Feel it
Something's not the same
You can feel it in the bones that shape you face
Our sleepy eyes burn much to bright
Trouble's come
Best learn to fight

And don't you think it's a little far to drive tonight?
I promise, darling, promise you're alright
But it's getting late
Maybe you should stay?
Paris is burning today

Move your eyes from this painting
Don't you search through this room
I am here with you
I am here with you

Feel it
Feel internal trembling
Feel as it shakes you down
Beauty burning
Internal trembling
Feel
Feel
Feel the sound

In the end I guess we're on our own
So we paint our faces in our rooms alone
But I miss you guy
I miss your taste
How your pretty eyes
They dance on your face

Can you keep a good secret?
Won't you keep one for me?
I'm in love with you
I'm in love with you

Feel it
Feel internal trembling
Feel it as it shakes you down
Beauty burning
Internal trembling
Feel it
Feel
Feel the sound

I sure like the finer things
We all like the finer things
Don't you like the finer things?
Don't you like to

Feel it?
Feel
Internal trembling
Feel

Feel it shake you down
Beauty burning
Internal trembling
Feel
Feel
Feel the sound

Feel it
Feel
Internal trembling
Feel it
Feel it
Shake you down

Beauty burning
Internal trembling
Feel it
Feel
Feel the sound

Feel the sound
Feel the sound
Feel the sound
Feel the sound
