## **Kissin U**

## Miranda Cosgrove

Sparks fly, it's like electricity I might die when I forget how to breathe You get closer and there's nowhere in this world I'd rather be

Time stops like everything around me It's frozen and nothing matters But these few moments when you open my mind To things I've never seen

'Cause when I'm kissing you my senses come alive Almost like the puzzle piece I've been trying to find Falls right into place, you're all that it takes My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense And all the questions I've been asking in my head Like are you the one? Should I really trust? Crystal clear it becomes when I'm kissing you

Past loves, they never got really far Walls up, made sure I guarded my heart And I promise I wouldn't do this 'Til I knew it was right for me

But no one, no guy that I met before Could make me feel so right and secure And have you noticed I lose my focus? And the world around me disappears

'Cause when I'm kissing you my senses come alive Almost like the puzzle piece I've been trying to find Falls right into place, you're all that it takes My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense And all the questions I've been asking in my head Like are you the one? Should I really trust? Crystal clear it becomes when I'm kissing you

I've never felt nothing like this You're making me open up No point even trying to fight this It kinda feels like it's love

'Cause when I'm kissing you my senses come alive Almost like the puzzle piece I've been trying to find Falls right into place, you're all that it takes My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense And all the questions I've been asking in my head Like are you the one? Should I really trust? Crystal clear it becomes when I'm kissing you
