## **Love Your Memory**

## Miranda Lambert

```
I don't want to see you or feel you
I don't want to look into your eyes
I don't want to touch you or miss you
I just want to love your memory tonight
```

I can't handle all this pain
All we ever do is fight anyway
Why we even tried I haven't a clue
With hearts involved there's way too much to loose

```
I don't want to see you or feel you
I don't want to look into your eyes
I don't want to touch you or miss you
I just want to love your memory tonight
```

You were something else to look at And your intentions, they weren't all bad You tried to make me something I wasn't Lord knows there ain't no future in all that

```
I don't want to see you or feel you
I don't want to look into your eyes
I don't want to touch you or miss you
I just want to love your memory tonight
```
