

# Time to Get a Gun

Miranda Lambert

My neighbor's car got stolen last night  
Right out of his driveway  
We heard the dogs barking  
We never paid them any mind  
And Mary says she's going to lock the door  
From now on when we go away  
I've been walking around this farm  
Wondering if it's time

Time to get a gun  
That's what I've been thinking  
I could afford one  
If I did just a little less drinking  
Time to put something  
Between me and the sun  
When the talking is over  
It's time to get a gun

Last week a government man was there  
When I walked out my back door  
He said I'm sorry to bother you ma'am  
It don't matter anymore  
Cause even while we were talking  
Right here where we stand  
They're making plans for a four way highway  
And a big old over pass

Time to get a gun  
That's what I've been thinking  
I could afford one  
If I did just a little less drinking  
Time to put something  
Between me and the sun  
When the talking is over  
It's time to get a gun

Mary says she's worried about herself and her kids  
She's never known anybody who had a gun  
And her daddy never did  
But I think it should be up to me  
Cause when it's all said and done  
Somebody's gotta walk into the night  
And I'm going to be that one

Time to get a gun  
That's what I've been thinking  
I could afford one  
If I did just a little less drinking  
Time to put something  
Between me and the sun  
When the talking is over  
It's time to get a gun

When the party is over  
It's time to get a gun
