In your eyes
I used to be nothing
I made it all the way, I never stopped

Sometimes I felt
Like I'm nobody
I boggled before I knew it
Yes, I was afraid of everything
But I go for it, I am fearless
Sometimes I feel ashamed
Everything that holds me back zipper
Overwhelmed scared and furious
When it feels like running away
Calm down calm down
Take a deep breath and spit it out

Look at yourself in the mirror
So stunning
If you can't believe it
Let me show you
How bright you shine
Don't think you are alone in this world
I'll back you up
Hey, Mirani, let's go~
Doesn't matter whatever they say, just do all-day

Sing
To touch the blue sky
Whatever
Just enjoy it
Elevate your mouth and get excited
Show me a big smile, make this place shine
Ra Mi Rani, I, Mirani
What are you saying? How dare you?
Nobody can stop us, whatever it is
Ra Mi Rani, I, Mirani
What are you saying? How dare you?
We can be anything, whatever it is

I won't go back, I can't go back
If you want it badly, it will come true
Witnessed it so I go straight
Call me then I'll go there

Painted my color bright
I absolutely love it, ay
Put my dirty hair up and wear a simple t-shirt
It was six months ago when I try to make money
Nobody could have expected it
I'm goin' up whatever they say I just do it

Sometimes nothing helps, no, no, no
But I just do all-day
This is my way all night long
I am now beside
With Mi Ran in the studio
Doesn't matter whatever they say
Just do all-day

Sing
To touch the blue sky
Whatever
Just enjoy it
Elevate your mouth and get excited
Show me a big smile, make this place shine
Ra Mi Rani, I, Mirani
What are you saying? How dare you?
Nobody can stop us, whatever it is
Ra Mi Rani, I, Mirani
What are you saying? How dare you?
We can be anything, whatever it is
