

Dear Boy

Miro Žbirka

Dear boy ooh dear girl
Dear child oh remember

Dear boy ooh dear girl
Yes I'm so inspired
It's November

Dear boy ooh dear girl
Love is a dying ember

Dear boy mmm dear girl
Tomorrow will
Be December

In my heart...

In my heart well I know
I'm gonna leave you darlin'
In my heart well I know
I'm gonna leave you darlin'
In my heart well I know
I'm gonna leave you darlin'
In my heart well I know
I'm gonna leave you

Dear boy ooh dear girl
Dear child oh remember

I'm walking down
The cold night stream
All alone - it's December

In my heart...

In my heart well I know...

Dear boy ooh dear girl
Dear child oh remember

Dear boy ooh dear girl
Yes I'm so inspired
It's November

Dear boy...
