

# Follow me

Miro Žbirka

**C**  
You lift up my spirits  
**Cmaj7**  
You shine on my soul  
**Am**  
Whenever I'm empty  
**Cmaj7**  
You make me feel whole  
**F**  
I can rely on you  
to guide me through  
**C**      **Ami**  
any situation  
**Cmaj7**                      **F**  
You hold up a sign that reads  
**C**  
Follow me

You give me direction  
You show me the way  
You give me a reason  
to face every day  
I can depend on you  
to send me to  
any destination  
You hold up a sign that reads  
Follow me  
**A**  
Follow me

**D**  
Down the track of loneliness  
**Db5**  
Down the path of love  
**Gmaj7**                                      **D**  
Through the words of heartache to the end  
On the shores of sorrow  
where the waves of hope crash in  
**Ami**  
The perfect place for me to find a friend  
**F**  
Yeah yeah yeah  
**Ami**  
Oh oh oh  
**F**  
Yeah yeah yeah

You lead me to places  
that I've never been  
Uncovering secrets  
that I've never seen  
I can rely on you  
to guide me through  
any situation  
You hold up a sign that reads  
Follow me  
Follow me
