Every day I think about

A

How I used to be

G

D

You and I together in the classroom

D

Sitting like a fool in school

A

I just couldn't see

G

D

Thought I was protected by a silver spoon

Emi

Like a hero I will smile

G

Gmi D

On and on again

A

And you understand the game

G

A

D

And you come back to play

All my friends are far away

Now they live in town

I'm not the one that I would please to go to

Somewhere in the past they stay

Only live life one

Living in the way that we all used to

Like a hero I will smile...

Like a hero I will smile...

D

Well, I see your face

And it's your disgrace

G

And I know that you still cry

D

Emi, A

Cry out loud again

Every day I think about

How I used to be

You and I together in the classroom

Sitting like a fool in school

I just couldn't see

Thought I was protected by a silver spoon

Like a hero I will smile...
