

# I Need You

Miro Žbirka

I need you  
I need you more than birds need the sky  
I need you, it's true little girl  
That you can lift the tears from my eyes

But if you ever tell me good-bye  
I'll break down and you'll hear me cry  
I need you  
More than anybody else has needed anyone before

I need you  
There's no one else to stand in your place  
I need you, you know little girl  
That you can keep the smile on my face

But if you ever tell me good-bye  
I'll break down and you'll hear me cry  
I need you  
More than anybody else has needed anyone before

I need you  
There's no one else to stand in your place  
I need you, you know little girl  
That you can keep the smile on my face

But if you ever tell me good-bye  
I'll break down and you'll hear me cry  
I need you  
More than anybody else has needed anyone before.  
More than anybody else has needed anyone before  
I need you  
I need you  
I need you
