  C                          Em
I woke up to the morning light
E7                        Am
empty bed you´re not inside
F                                      C
since you´ve gone baby nothing´s right
  F                  Em    Dm     C
I wonder where you mare tonight

seven days a week were fine
suddenly the sun won´t shine
breakfast and the tea for two
reminds me all the times with you

looking back very nice
whole wide world in your eyes
it feels so cold on lonely road
since you´ve gone baby
nothing´s right
I wonder whereyou are tonight
oh I wonder where you be tonight

  C      Em      Am
uuuuuuuuuuuuuuuuuuuuuuuuuuuuu
  F                     Em    Dm    C
I wonder where you`ve been tonight
