

## Love Shines

Miro Žbirka

It's me against the crowd,  
Nothing's gonna change,  
People talking loud  
In a fit of rage  
But somewhere deep in me,  
Love shines

Hard days might be coming,  
Watch the news at night,  
Where anger is a time bomb,  
We're riding on the slide,  
But somewhere deep in me,  
Love shines

Love shines everywhere I look,  
The only thing I need to do is to close my eyes,  
In my dreams I've found a nook  
The only thing that counts is you  
You and I

Sitting in the back seat  
While the others drive  
I'm swimming down stream  
Only got one life  
But somewhere depp in me  
LOVE SHINES
