Mama - that's allright

**G** **A**  
You got me on my way

**D** **G** **D**  
Mama - that's allright

**G** **A**  
You got me on my way

**D**  
Ah, rainbow, surrender

**G**  
Show me the way

**D**  
Show me the way  
I don't know, where to go

**G**  
Show me the way  
Show me...

**D**  
Mama - that's allright...

I'm looking, I'm searching  
Show me the way  
Show me the way  
I'll take it, I'll make it  
Show me the way  
Show me...

**D**  
Mama - that's allright...

**Emi** **A**  
I know I understand

**F#mi** **Hmi**  
The way you hold my hand

**Emi** **A**  
I know you didn't write

**F#mi** **Hmi**  
The way you came to my life

**A** **A/G, A/F#, A**  
Holding me tight

Ah, rainbow, surrender  
Show me the way  
Show me the way  
I don't know, where to go  
Show me the way  
Show me...

**D**  
Mama - that's allright
