

Pop Goes The Weasel

Miro Žbirka

half a pound
of two penny rice
half a pound of treacle
that's the way
the money goes
pop goes the weasel

up and down the city roads
in and out the easel
that's the way
the money goes
pop goes the weasel

up and down the city roads
in and out the easel
that's the way
the money goes
pop goes the weasel

half a pound
of two penny rice
half a pound of treacle
that's the way
the money goes
pop goes the weasel
pop goes the weasel
