

Suddenly

Miro Žbirka

Suddenly I'm sitting on a plane
Leaving love and you behind again
I'm heading out into the night
And I'm no longer sure it's right
Suddenly I'm back in the fast lane

Suddenly I'm playing to the crowd
Feeling good although I'm wondering how
I'm just keeping sadness in
All the places that we've been
Suddenly my heart is crying low

Sure there are times
We set the place on fire
But in my mind
It's me behind the wire
And where we're done
I feel empty and alone
'Cause you're the one
That makes me think of home

Suddenly I'm sitting on the bus
Passing by the cities made of rust
,Cause there will be another show
Then another one you know
Trying hard but can't forget, bout us

Sure there are times
We set the place on fire
But in my mind
It's me behind the wire
And where we're done
I feel empty and alone
'Cause you're the one
That makes me think of home
