

Why Not ?

Miro Žbirka

Take a holiday, maybe one that's paid, why not?
Kisses in the sun, loving just begun, why not?

Don't you feel ashamed,
Laughing in the rain
You can own some light
Maybe every night

Fly up in the clouds, sit there feeling proud, Why not?

Walking on the air, don't you think that's fair for you?
Getting some rewards, chairman of the board, I do

Give the man a coin, maybe he'll rejoin, why not?
Cut your friends a slice, weather's looking nice, why not?
