

## Roll On

Mis-Teeq

Ayo oh oh oh ha, ha ha gotta get your roll on  
I said get your roll on  
We're gonna get your roll on  
Here we go again, all all all night long  
Roll on (enter) Check check

It's been a long week and we've been working had enough  
Sometimes it all gets to you and the pressure's just too much  
Gonna hook us up a potion, guaranteed to bring some fun  
Mix good friends with some music  
Head out to the club and roll on

It's Friday and you just got paid  
We like the way you get your roll on  
You know you need to get away  
So turn your speakers up and roll on  
Let me hear my fellas say  
My ladies can you get your roll on (Roll oh roll)  
So grab your boo and get your roll on

So here we are another night,  
out on the town we getting down  
Havin' fun staying young  
The whole entourage has arrived  
I'm on the scene, know what I mean (Check the rhyme)  
When I say this world is mine  
All you've got to do is sit back and ride (There we go)

It's Friday and you just got paid  
We like the way you get your roll on  
You know you need to get away  
So turn your speakers up and roll on  
Let me hear my fellas say  
My ladies can you get your roll on (Roll oh roll)  
So grab your boo and get your roll on

It's Friday and you just got paid  
We like the way you get your roll on  
You know you need to get away  
So turn your speakers up and roll on  
Let me hear my fellas say  
My ladies can you get your roll on (Roll oh roll)  
So grab your boo and get your roll on

Let's take it to the floor  
What are you waiting for  
The party's jumping now  
We're gonna show you how  
We like it, we like it  
We really really like it  
So turn your speakers up and roll on

It's Friday and you just got paid  
We like the way you get your roll on  
You know you need to get away  
So turn your speakers up and roll on  
Let me hear my fellas say

My ladies can you get your roll on (Roll oh roll)  
So grab your boo and get your roll on

Summertime sweeter than honey  
Take your time and move your body  
All night long, we're gonna roll on

I just want you to roll roll roll roll on  
It's a summertime vibe (It's a summertime vibe)
