Hear the message  
Even if you're far away  
Woo-woah-oh, oh-oh

Even destinations that cannot be reached\□  
And the uncompleted reality  
Didn't change a bit every moment's here  
Even now I won't leave  
Filling up the blank memory  
Mixed colors in a frenzy  
All the days, all the fun, all the brave me  
It's still in me

Even that day always  
What was there was  
A truly honest  
Your true words

I can hear it the message  
Even when you're far away  
Even today and tomorrow it will always be there  
It's never gonna fade away  
And to you, message  
Even if it won't reach you  
I'll tell you surely  
Let's stay connected on and on

It's all right, la-la-la-la-la-la  
Send to you  
La-la-la-la-la-la  
I'll tell you on and on

What you see isn't everything  
But even that refusing to see  
I know it's tough, I'm sure that even so I'll keep going  
Just as you told me  
Even when time passes by know that  
Something that won't change is right here  
Every piece, every scene, every voice, yeah  
It's in me, yeah

Even that day everyday  
What was there was  
An honest and humble
