

# Infiltrators

## Misery Index

Behind concrete walls  
The worst among us hide  
Once more, they will know  
What it means to live in fear  
Make them fear like 1945

Fence-walking pawns, separatists, apologists - all entangled  
Cross-burning cops, catechists, loyalists - fascist agents  
Life-sucking laws, corporate claws, reprobates, rot the system  
Shit-  
talking frauds, charlatans, hypocrites - drawn and quartered

Infiltrators - stamp them out  
Infiltrators - crushed liked insects  
Infiltrators - stamp them out  
Infiltrators - crushed liked insects
