

An Offering To The Insatiable Sons Of God (Butcher)

Misery Signals

Butcher
Give us all you've got
Give us anything at all
Throw everything that's real
Into this bottomless abyss

Butcher
Butcher
How much will you consume and how much will you take away?

How much is too much?
How much is too much?
Take away
How much is too much?
How much is too much?
Take away
How much is too much?
How much is too much?
Take away

How much is too much?
How much is too much?
How much is too much?
How much is too much?
