

Dream Lover

The Misfits

Every night I hope and pray
A dream lover will come my way
A girl to hold in my arms
And know the magic of her charms

Because I want, I want
A girl, a girl, to call, to call my own
I want a dream lover
So I don't have to dream alone

Dream lover, where are you?
Your love, oh so true
And a hand that I can hold
To feel you near as I grow old

Because I want, I want
A girl, a girl, to call, to call my own
I want a dream lover
So I don't have to dream alone

Someday, I don't know how
I hope you'll hear my plea
Someway, I don't know how
She'll bring her love to me

Dream lover, until then
I'll go to sleep and dream again
That's the only thing to do
Until my lover's dreams come true

Because I want, I want
A girl, a girl, to call, to call my own
I want a dream lover
So I don't have to dream alone

Dream lover, until then
I'll go to sleep and dream again
That's the only thing to do
Until my lover's dreams come true

Because I want, I want
A girl, a girl, to call, to call my own
I want a dream lover
So I don't have to dream alone

Don't make me dream alone
Don't make me dream alone
Don't make me dream alone
Oh no, oh no
