From Hell They Came

The Misfits

In the night
I hear voices calling
They seem to speak my name

Glowing bright
I see the eyes of demons
Reaching up beyond the grave

And I think from Hell they came Oh, I think from Hell they came I think from Hell they came Oh, I think from Hell they came

Dark the night
Their cries so lonely
Feel their need inside

I can't fight
This eternal longing
Feast on flesh, these ghouls tonight

And I think from Hell they came Oh, I think from Hell they came I think from Hell they came Oh, I think from Hell they came

Oh Whoa-oh Whoa-oh Oh

In the night
I hear voices calling
They seem to speak my name

Glowing bright
I see the eyes of demons
Reaching up beyond the grave

And I think from Hell they came Oh, I think from Hell they came I think from Hell they came Oh, I think from Hell they came
