

Monkey's Paw

The Misfits

No stone cries tears for the dead
Christmas presents in cold white linen
No stones cries tears for the dead
Too late for pity, too late for revenge

Coins in a fountain, coins in a well
You dream of heaven, you live in hell

Tonight, I cast this spell
With this monkey's paw
Three wishes, for you

Tonight, I cast this spell
With this monkey's paw
Three wishes, for you

No stone tries to bring back the dead
Too late for stories, too late for forgiveness
No stone tries to bring back the dead
All these tales are best forgotten

Coins in a fountain, coins in a well
You dream of heaven, you live in hell

Tonight, I cast this spell
With this monkey's paw
Three wishes, for you

Tonight, I cast this spell
With this monkey's paw
Three wishes, for you

Monkey's paw
Three wishes, for you

Monkey's paw
Three wishes, for you
