

# Bittersweet

Mishka

Oh what you feel love  
Is just the real love  
The truth reveal love  
So let it heal love  
I can't conceal love  
Cause it's so real my love

Bittersweet my love for you bit a bitter, bit a sweetness too. Bittersweet my love for you bit a bitter, bit a sweetness too

Keeping secrets while you holding me tight  
Wrapping my love in a cocoon of lies  
And then the glittering shadows had their way  
They could see that we were easy prey  
With smiling faces  
Hungering souls  
They came around only trying to find  
Someone tortured  
Someone cold  
Someone half out of their minds  
Someone lost someone easy  
Wanting to try something sleazy  
Call it right  
Call it wrong  
Call it freedom  
Here's a song called

Bittersweet my love for you  
Bit a bitter, bit a sweetness too

Bittersweet my love for you  
Bit a bitter, bit a sweetness too

Now we know the truth its hard to go on  
Torn up by the roots it's hard to hold on  
Now I see how far we have fallen  
From the heights we were once soaring  
Bittersweet cause innocence is gone  
Though every bittersweet tear made me strong  
Sweet sweet was my love for you  
With bittersweetness what do I do?  
Bitter pain you broke my heart in two  
Now I sing these bittersweet blues

Bittersweet my love for you  
Bit a bitter, bit a sweetness too  
Bittersweet my love for you  
Bit a bitter, bit a sweetness too

Oh what you feel love  
Is just the real love  
The truth reveal love  
So let it heal love  
I can't conceal love  
Cause it's so real my love
