

Homegrown

Mishka

Lord I need a spliff
Or just I need a lift yeah
Nothing so sweet as your homegrown
Nothing so sweet as your own homegrown
Nothing so sweet as your homegrown
Nothing so sweet as your own homegrown

So green, so clean
You been there unseen
Even since you've been a little seed
So green, so clean
You been there unseen
Even if it's time to weed yeah
This is a desire he life
It give us such a nice feeling
This is a desire he life
It give us such a nice feeling
N'thing so sweet as your homegrown
N'thing so sweet as your own homegrown
N'thing so sweet as your homegrown
N'thing so sweet as your own homegrown

So green, so clean
You been there unseen
Even since you've been a little seed yeah
So green, so clean
You been there unseen
Even if it's time to weed yeah
Now some say that it's the Maui Wau
And some say that it's Jamaican Cali

Some say every damn□ Sensi's the best
Some say you can't taste the rest
But I say, I say, I say, I say
Nothing so sweet as your homegrown
Nothing so sweet as your own homegrown
Nothing so sweet as your homegrown
Nothing so sweet as your own homegrown

So free up the weeds, man
Free up the weeds
Free up the weeds, man
Free up the weeds yoh
Free up, free up, free up my weed yeah
Aaah
Free up, free up, free up all the flora and fauna
To be another yeah
Nothing so sweet as your homegrown
Nothing so sweet as your own homegrown
Nothing so sweet as your homegrown
Nothing so sweet as your own homegrown

So green, so clean
You been there unseen
Even since you've been a little seed yeah
So green, so clean
You been there unseen

Even if it's time to weed yeah
Nothing so sweet as your homegrown
