

Keep On Lovin'

Mishka

Where would I be right if it wasn't for you?
Is a green gold items.
stuck in black and white. or deep in the blue.
I could take a logical guess now.
But I really I don't have a clue.
So I just want to thank you my sweet love.
For everything you have done and you do.
Keep on, keep on lovin' me.
Keep on, keep on holding me closer.
I'll keep on, keep on lovin' you.
Lets keep on, keep on like we're supposed to.
Hard times and arguments and our different points of view.
It hasn't always been easy, but
I think we're gonna make it through.
Give yourself a little more credit
your day to day aint no easy task.
Do what ya gonna to do to make it through
there's only one thing of you I ask .
Keep on, keep on lovin' me.
Keep on, keep on holding me closer.
I'll keep on, keep on lovin' you.
Lets keep on, keep on like we're supposed to.

Well I got some distance to cover until I see you again.
Don't put up resistance my lover. lets enjoy the moment.

Feelings of loneliness so hard to transcend.
But in your heart of heart I want you to remember,
