Blessings on me rain, ah (yeah yeah)  
Diamonds on me bling, ah  
Acting strange, they acting strange, ah  
But I don't ever change at all, ah

Hmm  
Nose crooked but my mom straight  
I got plenty food on my plate  
My money never running late  
Big bags man accumulate  
My ex say she have a date  
Man a nuh fish me nuh take bait  
Real youth me nuh lose faith  
Bridgetown everybody great  
Platinum platinum platinum  
Dudu pour me likkle more rum  
Tarik bussin' outta london  
Gimme two years we buy a mansion  
Who you reppin' weh you come from  
BCV full up a badman  
World Boss man a one don  
Buju Buju man a champion, yeah

Blessings on me rain, ah  
Diamonds on me blang, ah  
Acting strange, they acting strange, ah  
But I don't ever change at all, ah

Ay, ay  
A Deus eu agradeço o que é meu  
Porque o que é dos outros não cobiço  
Eu tenho haters no meu próprio bairro  
Tenho fãs em bairro inimigos  
Nunca digo tudo o que eu faço  
Mas eu faço tudo o que eu te digo  
Meto ela de joelhos no meu quarto  
Tipo que ela tava de castigo  
Tráfico de melodias  
Escuro até na luz do dia  
Não tive mais que três dias preso  
Mas eu tenho barras de Caxias  
E vim da lama como um diamante  
Antes da fama já era praticante  
Caguei nas bocas sem beber laxante  
E agora nada e como era dantes (Jesus)

Blessings on me rain, ah  
Diamonds on me blang, ah  
Acting strange, they acting strange, ah  
But I don't ever change at all, ah

Got me a check need another one  
I been out of the gym but I run it up  
They ain't fuckin with me y'all ain't cut enough  
I ain't feeling these bitches no not all  
Must be a shrink yeah they full of talk  
Any man a catch a box Amen

Heads turning soon as I came in  
But I don't ever change at all  
Hold up that's okay  
It sound familiar I don't think it's by mistake  
It's like Btown got 'em starving I can see they stomach ache  
Got me yelling out free Trace  
Dripping dripping watch it rain

Blessings on me rain, ah  
Diamonds on me blang, ah  
Acting strange, they acting strange, ah  
But I don't ever change at all, ah
