

Bed Time

Mishon

Visualize

When I walk through the doorway to your place
Feel the vibe, of me anticipating your embrace
Butterflies
Girl cause you know what's about to take place
I'm a lay your body down slow
Girl it's going down for sure

Girl it's magic the way your
Skin glowing through that lingerie
And I hope that you're ready
Been undressing you in my mind all day

Baby it's your time
Don't you worry I'll be there in no time
And once I hit them lights it's gone be show time
Show you my definition of Bed Time
Baby it's your time
And don't you worry I'll be there in no time
And once I hit them lights it's gone be show time
Show you my definition of Bed Time

And now you looking up in my eyes
Candle lights on both sides
On the floor, on the bed
Seem like you can't decide
The smell that you be wearing get me every time
And this background music sound like
You playing that Mishon
Can't describe the feeling when you looking back at me
Give that look to let me know
That I'm putting it down for sure

Girl it's magic the way your
Skin glowing through that lingerie
And I hope that you're ready
Been undressing you in my mind all day

Baby it's your time
Don't you worry I'll be there in no time
And once I hit them lights it's gone be show time
Show you my definition of Bed Time
Baby it's your time
And don't you worry I'll be there in no time
And once I hit them lights it's gone be show time
Show you my definition of Bed Time

I'm something like a lullaby baby
When we in them sheets
Singing rock a bye baby
Putting you to sleep
Now it's nighty night baby
Catch up on your Zzz's
Take two of these
And call me in the morning
Lullaby baby
Rock a bye baby

Nighty night baby
You know you like it when I swim in the deep end babe

Baby it's your time
Don't you worry I'll be there in no time (no time)
And once I hit them lights it's gone be show time (show time)
Show you my definition of Bed Time (Bed Time)
Baby it's your time (Whew)
And don't you worry I'll be there in no time (no time)
And once I hit them lights it's gone be show time (show time)
Show you my definition of Bed Time (Bed... Time)

Nighty night baby (nighty night baby)
Rock a bye baby (rock a bye baby)
Lullaby, singing a lullaby
Who-uh Oh-uh
Nighty night baby (nighty night baby)
Rock a bye baby
Lullaby, singing a lullaby
Lullaby, singing a lullaby
Oh whoo whoo ooo
