

Come Back

Mishon

Da, da-da-da-da
Da, da-da-da-da
Da, da-da-da-da
Oh, oh

Hey, girl
Make a young boy wanna say yeah
I'm wide open so you know,
I got your picture in my phone (my phone, phone, phone)

Hey, girl
Yeah, I know you feel it too
I can't lie, cause it's the truth
You won't catch me without you

Shorty, your the Bonny to my Clyde
Superwoman by my side
And I won't trade you for the world (naw, naw, naw, naw)
I hold your left, you got my right
A million words just can't describe,
Your banging body, pretty face
You ever left me, girl I'd say

Come back to me (Come back)
Come back to me (Come back)
Your all that I need (Oh)
Come back to me (Come back)
Come back to me (Come back)
Come back to me (Come back)
Your all that I need
(Why don't you) Come back to me

Ooh ooh, angel
Baby you're one of a kind
America's Top Model ain't got nothing on you
Ooh, Ooh, angel
You're the perfect I could brag you up for days
Baby this ain't no thang

Shorty, your the Bonny to my Clyde
Superwoman by my side
And I won't trade you for the world (naw, naw, naw, naw)
I hold your left, you got my right
A million words just can't describe,
Your banging body, pretty face
You ever left me, girl I'd say

Come back to me (Come back)
Come back to me (Come back)
Your all that I need (Oh)
Come back to me (Come back)
Come back to me (Come back)
Come back to me (Come back)
Your all that I need
(Why don't you) Come back to me

You, you got my heart

I don't need no other girl's attention
Your my only one, my only one
I knew from start, we got what it takes
To go all the way
Baby you are the one

Da, da-da-da-da
Da, da-da-da-da
Da, da-da-da-da

Oh, oh, the one
The one, the one
Oh, no
I need you baby

Come Back

Come back to me (Come back)
Come back to me (Come back)
Your all that I need (Oh)
Come back to me (Come back)
Come back to me (Come back)
Come back to me (Come back)
Your all that I need
(Why don't you) Come back to me

Come back to me (Come back)
Come back to me (Come back)
Your all that I need (Oh)
Come back to me (Come back)
Come back to me (Come back)
Come back to me (Come back)
Your all that I need
(Why don't you) Come back to me

Oh, yaaa, Mishon
