Mishon

Yeah, we in this situation  
So don't trip about my past  
Let's just worry 'bout the future  
'Cause girl we finna make this last

Yeah, we in this situation

'Cause girl we finna make this last

Don't make this complicated (Mm, alright)  
I said don't make this complicated

You know I love to fuck you on a regular (Facts)  
And all them other niggas wasn't stepping up (These is facts)  
I knew what I was doing was gon' mess you up  
I 'prolly shoulda never made you fall in love  
And now we in this situation  
Said I be staring at them other girls but babygirl you trippin'  
I got no eyes for them other girls you know that you my Mrs  
But little do she know, that other girl's my mistress  
But baby this the difference  
Only girl that matters is you  
Ain't nobody badder than you  
Girl I'm better when I'm with you  
Girl I'm better when I'm with you

Yeah, we in this situation

Said don't make this complicated

You wanna know but you don't really wanna know  
You wanna know am I strong enough to tell these women no  
I know that you be texting niggas on the low  
It's cool though, yuh  
'Cause you don't never do shit  
Clearing out your inboxes, these women think they too slick  
Trying to protect your heart, that's just like any woman should  
Tried to be a bad girl but you best at being good  
Assumptions building up in your head  
So gone and leave that message on read  
I'mma lay you out in this bed  
Girl, I'mma put it down in this bed

Yeah, we in this situation  
So don't trip about my past

Let's just worry 'bout the future  
'Cause girl we finna make this last
