

## Lurkin

Mishon

I know you feel like I don't treat you the way you deserve  
Say I'm a dog but really could be doin' you worse  
You hit my line, I watch it ring and I know that shit hurt  
Yeah, ay, ay, ay  
We ain't in love but I'm feelin' lil shawty, ay  
When she pull up, I get the feelin', hold her body  
She grew up local but that pussy so exotic, ay  
Ain't got no kids but I'm daddy when she ride it

I know that she lurk  
I know that she lurk  
I know that she lurkin', ay  
She lurkin' my phone  
She look at my page  
She check all my comments, ay  
Why would I lie?  
Got nothin' to hide  
I'm just bein' honest, ay  
Too many women  
Got too many-, whoa  
Got too many options, ay

I'm outta pocket, baby, you know that I'm poppin'  
I don't gotta ask her, your lady gon' pop, lock, and drop it  
I'm all in, I'm out, she said I know every topic  
And it too good, said no other nigga could top it, ay

Just say you in love with me  
When I'm here, quit playin'  
Tell you what you wanna hear  
Baby, what you sayin'?  
Just say you in love with me  
When I'm here, quit playin'  
Hit you from the back  
And I put you in a trance

I know you feel like I don't treat you the way you deserve  
Say I'm a dog but really could be doin' you worse  
You hit my line, I watch it ring and I know that shit hurt  
Yeah, ay, ay, ay  
We ain't in love but I'm feelin' lil shawty, ay
