

If there's a reason for the crazy tings that I may do
It's you I can't find anything that I would wanna trade for you
Cos she love me good (she love me good)
Her nigga hate me cos she fuck me good (she fuck me good)
She put it down and now I'm catching feels (I'm catching feels)
Baby, made me wanna boss it down the way she built

And girl, you love it when I take control (she loves it)
It really shows (really shows)
The way you take the key to my fuckin' heart
I'm so in love

You ain't gotta worry
You just gotta show me
My pretty baby are you ready for love
Cos I'm ready for love
Baby, are you ready
Tell me that you ready
Are you ready for love
Tell me that you ready for love

Huh, ya, oh, ho, oh, ho
Look at that skin, it just glow
Get all that stress out the way now
Look at you happy it shows
It's written all over your face now (bad)
Lil' baby, you came from the struggle
To starting a business you getting your cake now
You know I get you so wet (wet)
Might as well put you in a cup now
The way that you calling my name (Shon)
I think you ready for love now
I think you ready for love
I think you ready for love now (love)
And baby, just settle down
Then I'm gonna show you wassup now
We know, we don't need nothing it's just me and you
Feel like we go way back even though we brand new
So baby, check your schedule

And tell me if you ready
Last time you asked me I was ready
So are you rolling with me?
We ain't finna waste no more time on this

Baby, are you ready
Tell me that you ready
Are you ready for love
Tell me that you ready for love
You ain't gotta worry
You just gotta show me
My pretty baby, are you ready for love
Cos I'm ready for love
...
