Rendezvous

Miss Benny

I know it's a dangerous game
But I know what I like, boy, I got my own reasons
So tell me, do you wanna play?
And I got all the magic words
All your favorite lies, baby, anytime you need 'em
So tell me baby, whatcha say?
I don't got no time to talk
Yeah, I don't wanna hear about it, show me what to do about it
Or baby I'm walking
Don't got time for talking 'cause

I'm not gonna cry for no one
'Cause nobody deserves my tears, yeah
But if you really wanna we can...

Rendezvous
Do you wanna come through?
Slide in like your old guitar
Baby, I'm all for the thrill
Let's run away from what's real
To the rendezvous, you know what to do
Pull up in your vintage car
Baby, I won't say this twice
I need your sweet kiss tonight
At the rendezvous

I know it's kinda reckless, but I love it
I can't help it, I just wanna give my mind a break
And you've got quite a history
A trail of broken hearts from the unsuspecting
But honey, I got tricks in me
Just wait and see
I don't got no time to waste
Yeah, I don't wanna speak about it, I just wanna be about it

And I don't wanna waste no time
Baby, yours or mine for the...

Rendezvous
Do you wanna come through?
Slide in like your old guitar
Baby, I'm all for the thrill
Let's run away from what's real
To the rendezvous, you know what to do
Pull up in your vintage car
Baby, I won't say this twice
I need your sweet kiss tonight
At the rendezvous

I don't wanna know your name
I don't wanna call you babe
But give me that time and place to come through to the...

Rendezvous
Do you wanna come through?
Slide in like your old guitar
Baby, I'm all for the thrill

Let's run away from what's real
To the rendezvous, you know what to do
Pull up in your vintage car
Baby, I won't say this twice
I need your sweet kiss tonight
At the rendezvous

I don't wanna know your name
I don't wanna call you babe
But give me that time and place to come through to the rendezvous
I don't wanna know your name
I don't wanna call you babe
But give me that time and place to come through to the rendezvous

Let's run away from what's real
To the rendezvous, you know what to do
Pull up in your vintage car
Baby, I won't say this twice
I need your sweet kiss tonight
