

# I can't get you off my mind

Miss Li

I can't get you, get you off my mind  
I can't get you, get you off my mind

I'm hanging 'round the phone  
waiting for a call,  
I would it give my all just to hear you say hello!

but hunny...

I can't get you, get you off my mind  
I can't get you, get you off my mind

I clean the house a thousand times  
Just to get my mind on something else  
I Go drinking with the girls  
To quit thinking about you

but hunny...

I cant' get you, get you off my mind  
And I can't get you, get you off my mind  
And I can't get you, get you off my mind  
I cant' get you, get you off my mind

ohh no, noo

I don't know what to do  
You're everywhere I turn  
and everywhere I go  
But I'll try to cut you out of my life  
Just as you cut me out of yours

oh oh uh uh

I can't get you, get you off my mind  
I can't get you, get you off my mind  
I can't get you, get you off my mind  
I can't get you, get you off my mind
