

Transformer

Miss Li

I can be your coffee
on a Monday morning
I can be a joke
when work is boring
I can be your a
I'll can be your danger
I can be a cigarette
and a burning finger

I can be good
I can be bad
I can be lovely
I can be sad
I can be a sinner
I can be a saint
Just tell me how you want it
I will understand
I'm a transformer
I'm a transformer

So tell me how you want me
I can make you stay
I'm a transformer
I can change my way

I can be your plaster
when your heart is bleeding
I can be your comfort
when your not succeeding
I can be your candy
on a Friday evening
I can be your Valium
when you're having trouble sleeping

I can be good
I can be bad
I can be lovely
I can be sad
I can be a sinner
I can be a saint
Just tell me how you want it
I will understand
I'm a transformer
I'm a transformer

So tell me how you want me
I can make you stay
I'm a transformer
I can change my way

I can be your woman
I can be your man
I can be your hero
and your biggest fan
and if you don't like me
the way I am
I just transform on your command

I can be good
I can be bad
I can be lovely
I can be sad
I can be a sinner
I can be a saint
Just tell me how you want it
I will understand
I'm a transformer
I'm a transformer

So tell me how you want me
I can make you stay
I'm a transformer
I can change my way

I can change my way
