

# Upside Down

Miss Li

Upside down boy you turn me all around  
No what a joy, what a feelin'  
Hold me, kiss me  
I can't touch the ground, you turn me all around  
Inside out, boy you make me wanna shout  
Kick my heals on the sealin'  
Touch me, feel me  
I can't feel the ground  
You turn me upside down

I don't mind if you kiss me one more time  
Oh oh oh what a feelin'  
Kiss me, kiss me  
I can't touch the ground, you turn me all around

Aaaah aaaah  
Laaa, la la la la  
La la la la la la la  
Bababa di da, da da da da di da
