

Done With You

Miss Montreal

Go on make your move it's your favorite game
Taking abuse of my good grace
it's the thanks I get for protecting you
years I spent I'm about to lose
I'm done with you

Cause you went too far to come back this time
I can see it in your eyes you have crossed a line
so I'm moving on nothing left to do
you can see it in my eyes I'm done
done with you
done with you

the forgive forget it went on too long
what we had is long been gone
the mistakes you made I'm still paying for
spend a heart you could not afford
I'm done with you

Cause you went too far to come back this time
I can see it in your eyes you have crossed a line
so I'm moving on nothing left to do
you can see it in my eyes I'm done
done with you
done with you
