

Circles

Missing Persons

Circles around your lullaby
I look through the mirror to see you
I can find what you're looking for

Always a mystery
Your secret's safe with me
Always a mystery
Your secret's safe with me

Your secret's safe with me
Your secret's safe with me
Always a mystery
Your secret's safe with me

I have nowhere to go
I don't know what to do
I don't know what to do

Your secret's safe with me
Your secret's safe with me
Always a mystery
Your secret's safe with me

Tinkle tinkle goes the musical box
Auctioned away for hence a pence
A lifetime of listening
Gone in a flash

Always a mystery
Your secret's safe with me
Always a mystery
Your secret's safe with me

Your secret's safe with me
Your secret's safe with me
Always a mystery
Always a mystery
Always a mystery
Always a mystery
Mystery, mystery

I have nowhere to go
I don't know what to do
