Missing Persons

Life is so strange
When you don't know
How can you tell
Where you're going to?
You can't be sure of any situation
something could change
and then you won't know

Where do we go from here?
It seems so all too near
Just as far beyond as i can see
I still don't know what this all means to me

I don't know where to go
I don't know what to do
And i don't even know the time of day
I guess it doesn't matter anyway

(life is so strange)
Destination unknown
(When you don't know)
your destination
(Something could change)
It's unknown
(and then you won't know)
Destination Unknown

When will my time come?
Has it all been said and done?
I know i'll leave when it's my time to go
Til then i'll carry on with what i know

(life is so strange)
Destination unknown
(When you don't know)
your destination
(Something could change)
It's unknown
(and then you won't know)
Destination Unknown

Life is so strange...
