

# I Can't Take It Anymore

Missing Persons

If you only knew how much I loved you  
Fear would fade away

Go away run away come again another day  
Come again another day  
Come again another day  
Come again another day

Having tea sets out to sea  
Will you remember me?  
Having tea sets out to sea  
Will you remember me?  
Will you remember me?

Go away run away come again another day  
Come again another day  
Go away  
Go away  
Go away  
Rainy day

Any day  
Another day  
But not today  
Any day  
Another day  
But not today

I can't take it anymore  
I can't take it anymore

Having tea sets out to sea  
Will you remember me?  
Having tea sets out to sea  
Will you remember me?  
Will you remember me?

Any day  
Another day  
But not today  
Any day  
Another day  
But not today  
Any day  
Another day  
But not today  
Any day  
Another day  
But not today not today not today not today  
Not today not today not today not today...

I can't take it anymore  
I can't take it anymore  
I can't take it anymore  
I can't take it, I can't take it  
I can't take it anymore
