

Incense and Peppermints

Missing Persons

Good sense, innocence, crippin' mankind
Dead kings, many things I can't define
Occasions, persuasions clutter your mind
Incense and peppermints clutter your mind

Who cares what games we choose?
Little to win but nothin' to lose

Incense and peppermints clutter your mind
Incense and peppermints clutter your mind
Look at yourself, look at yourself

Who cares what games we choose?
Little to win but nothin' to lose

Incense and peppermints clutter your mind
Incense and peppermints clutter your mind
Look at yourself, look at yourself

Ba, ba, ba, ba, ba, ba, ba, bah
Ba, ba, ba, ba, ba, ba, ba, bah

Beatniks and politics, nothing is new
A yardstick for lunatics, one point of view
Incense and peppermints clutter your mind
Incense and peppermints clutter your mind

Who cares what games we choose?
Little to win but nothin' to lose

Incense and peppermints clutter your mind
Incense and peppermints clutter your mind
Look at yourself, look at yourself

Who cares what games we choose?
Little to win but nothin' to lose

Incense and peppermints clutter your mind
Incense and peppermints
