

## King 4 A Day

### Missing Persons

King for a day but a fool for a lifetime  
King for, it's inevitable

The blackjacks come undone  
Dazzled and bedazzled  
Your life's unraveled  
You know that your number one  
Magnetize women  
Be the envy of all men  
Magnetize women  
Be the envy of all

Was it suicide or homicide?  
Or tragedy on the side  
King for a day  
The final escape  
There is nothing left to save  
King for a day  
The final escape  
There is nothing left to save  
There is nothing left to save
