

# We Gotta Get out of This Place

Missing Persons

In this dirty old part of the city  
Where the sun refused to shine  
People tell me there ain't no use in tryin'  
They say you're so young and you're pretty  
And one thing I know is true  
You're gonna die before your time is due

Seen my daddy in bed he's dyin'  
Watched his hair been turnin' grey  
I know he's been workin' and slavin' his life away

He's been workin' so hard

We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
There's a better life for me and you

They say you're so young and you're pretty  
And one thing I know is true  
You're gonna die before your time is due

Seen my daddy in bed he's dyin'  
Watched his hair been turnin' grey  
I know he's been workin' and slavin' his life away

He's been workin' so hard  
He's been workin' so hard

We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
There's a better life for me and you

We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
There's a better life for me and you

There's a better life for me and you
