

## DWI (Stripped)

MISSIO

This party is not my body  
When I am drunk and out of mind  
This bottle thinks that it owns me  
But it can't own me if I am dead

I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that

This party is not my body  
When all these creatures eat my skin  
They're searching for the demise, oh  
For bits of my soul that I left

I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that D-D-D-W-I  
I got the F my life, D-W-I  
I got that

I got that D-W-I  
I got that D-W-I  
I got that D-W-I  
I got that D-W-I
