I'm brilliant
At least that's what they say
But they don't know I'm not
Who the hell's to know

And I'm charming
At least that's what they think
But they don't know I'm not
I'm really kind of mean

Thank God for the music
Thank God for melodies
Thank God for the haters
Those bitches inspire me

These songs keep me living
These songs keep me sane
And that is why I'll keep

Killing Darth Vader with my motherfucking kick drum
Killing Darth Vader with my motherfucking kick drum
Killing Darth Vader with my motherfucking kick drum
Killing Darth Vader with my motherfucking kick drum

I'm happy
At least that's what they see
But they don't know I'm not
I'd like to rest in peace

Thank God for the music
Thank God for melodies
Thank God for the haters
Those bitches inspire me

These songs keep me living
These songs keep me sane
And that is why I'll keep

All these ugly hoes
All lays on the pigs and I lay these hoes
I'mma get that like woah
I'mma spit that like blow
I'mma click-clack on the bass
To your face gang gang
Better beat that flow

Niggas couldn't reach my phone
Niggas wouldn't think that
I'mma eat that
I'mma keep that wrist on the whoop on the froze
Mr. Shug ain't no typical hoe
All you niggas wanna step up some more
Killin' em I keep it famous on rose
Won't you help a nigga fuck up that pose
Big bitch from the east to the sneak that smoke
And peace to your keys five-five to you roaches
Bitch get a line on the side of the culture
Real from the deal make appeal been in motion nigga
