

Papi Chulo

MISSIO

Fresh is the way I live
Not many fucks to give
Master of wake and bake
And learning to meditate

Fly into LAX
Liftoff is scheduled next
Where do we want to go
I got time before the show

It's time for me to walk up to the ocean view
And open up my window seal

What a day
Beautiful day
Smokin' a J
In LA
Beautiful day
(Beautiful day)
(Beautiful day)

What a day
Beautiful day
Smokin' a J
In LA
Beautiful day
(Beautiful day)
(Beautiful day)

Just bought a pair of kicks
I'm feeling like the shit
Edged up I'm looking clean
You know what that means

Hang out with my best friends
Yeah light up again
This is what keeps me sane
You know what that means

It's time for me to walk up to the ocean view
And open up my window seal

What a day
Beautiful day
Smokin' a J
In LA
Beautiful day
(Beautiful day)
(Beautiful day)

What a day
Beautiful day
Smokin' a J
In LA
Beautiful day
(Beautiful day)
(Beautiful day)

When in LA
You do LA

When in LA
You do LA
Papi Chulo

They call me Papi Chulo
They call me Papi Chulo

What a day
Beautiful day
Smokin' a J
In LA
Beautiful day
(Beautiful day)
(Beautiful day)

What a day
Beautiful day
Smokin' a J
In LA
