

Run Away

MISSIO

I've been waiting for this moment to send an S.O.S. into the world
I've been stuck on the emotional benefits of hurting next to you

I just wanna runaway
I ain't got nothin' to say
I don't wanna' be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I've been holding onto feelings that I don't understand I feel alone
I've been dreamin' of a time when I find my way to a new home

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

Why don't you just love me at all
It feels like a hate bomb just went off

Why don't you just love me at all
It feels like a hate bomb just went off

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
I ain't got nothin' to say
I don't wanna be here anymore

I just wanna runaway
