Underground

MISSIO

Got my bills all paid, not mad about it
Got my whip upgraded, not mad about it
Got a Mexico vacay, not mad about it
My brain, a grenade, I'm sad about it
I'm sad about it, sad-sad, sad about it

Got my retro 1's, not mad about it
On my second album, not mad about it
Got my stacks in tons, not mad about it
Bad zone, loaded gun, I'm sad about it
I'm sad about it, sad-sad, sad about it
(I'm sad about it, sad-sad, sad)

Down
I should be on top, but I'm always underground
Things are lookin' up, but I'm making myself drown
My anxiety, then money just compounds
I'll be right here just waiting underground

Five star meals, I'm bouj', not mad about it
TSA pre-approved, not mad about it
Adidas black track suit, not mad about it
Attitude un-glued, I'm sad about it
I'm sad about it, sad-sad, sad about it
(I'm sad about it, sad-sad, sad)

Down
I should be on top, but I'm always underground
Things are lookin' up, but I'm making myself drown
My anxiety, then money just compounds
I'll be right here just waiting underground

I'm sad about it, sad-sad, sad about it
I'm sad about it, sad-sad, sad about it
I'm sad about it, sad-sad, sad about it
I'm sad about it, sad-sad, sad about it

Down
I should be on top, but I'm always underground
Things are lookin' up, but I'm making myself drown
My anxiety, then money just compounds
I'll be right here just waiting underground
