

Hey Baby Right Away

Mississippi John Hurt

Hey, hey, honey right away,
Hey, honey right away
Right away, baby right away,
Hey, honey right away.

You told me, you'd marry,
Honey, right away.
Hey, baby, right away.

I want to go to the courthouse,
Get our license read.
Hey, baby, right away.
Right away, baby right away,
Hey, honey right away.

Hey, hey, honey right away,
Hey, baby right away
