

Baby Girl Interlude

Missy Elliott

Eh yo Mary, i need you to vibe wit me on this one, uh
Uh

Check it

As i grab my pad and pen and begin to talk from within
Oh God im hot as the water like a preacher whos sinned
Im only human but

The world has put me on a platform since the day i was born
To only wait for my downfall but like a brick wall im too hard
to brake

Ok i do make mistakes but im the realest from the fake
Thats why im the hardest to hate

Aaliyah baby girl i've learned to love those while ther still a
wake

Sleep Sleep

And prepare a place for those who are good in the projects and
hood

Give to those who are misunderstood

I know like Lisa, Pac and Biggie and Jay and Pun are still No1
There will be more of us to come

I am a leader a teacher i gotta, like a single parent provider
Put in back those hip hop dividers

Like a preist with a back slider

I've sinned ut i win

And anyone we've lost in life from 9-11

We'll be sure to see again

What you hear is not a test, im rockin to the beat (2x)

See me and my crew, and my friends were gonna try to move our f
eet

See i am Mary Blige and i'll like to say hello
To the black to the white, the red and the brown, the purple an
d yellow

First you gotta.....first you gotta
