

# All in My Head

Missy Higgins

I woke  
to the sound  
of a single note  
ringing out  
and I thought  
thought you had left me  
I thought you'd disappeared  
It was sadder than any song  
that I'd ever heard

But now I know it was all in my head  
all in my head  
All this time  
it was all in my head  
all in my head

I walked  
every street  
Searched every lonely bar where  
you might be  
I thought  
I'd never find you  
I thought all was lost  
It was sadder than any song  
that I'd ever heard

But now I know it was  
all in my head  
all in my head  
All this time it was all in my head  
All in my head

I finally found you  
Deep in my heart you'd been hiding out  
I didn't know the dark night of my soul had been blacking you out

It was all in my head  
all in my head  
All this time  
it was all in my head  
all in my head  
All this time  
it was all in my head  
all in my head...
